| <p>修課規定<br/>Course<br/>Criteria</p> | <p>學分<br/>Credit(s)</p>   | <p>2 credits, 1 semester</p>  |
|                                     | <p>管考指標<br/>Evaluation</p>  | <ol style="list-style-type: none"> <li>1. Students will be given a mid-term and final exam based on the class content and which will be at the level of B1 on the C.E.F. Each exam will count 30% of their total grade.</li> <li>2. Students will be given a mock TOEIC test and are expected to attain a grade of at least 550 points. This will account for 20 % of their course grade.</li> <li>3. Attendance, class participation, homework and short quizzes will account for 20 % of the students' grade.</li> </ol>  |
|                                     | <p>學習目標<br/>Learning<br/>Content</p>  | <p>Students will be taught to develop their ability to understand spoken English by using top-down processing skills involving their knowledge of the situation, the context, the topic and the keywords to accurately infer the meaning of speech samples. They will also be taught to utilize bottom-up processing skills in order to decode individual words, recognize how the endings of words change their meanings and understand the details and subtleties of the language. Emphasis will be on improving listening skills using authentic, natural speech and learning from the natural pauses, hesitations and interruptions that occur in real life conversations. Listening skills will be followed up with speaking activities designed to improve fluency in conversations such as how to open and close a conversation and then how to develop the topic. Strategies to insure smooth communication will be introduced, such as making requests, asking for clarification and using idioms. Students will be encouraged to practice these skills during times available for pair work, group work, role plays and opinion and</p> |
