

## **YunTech EMI Teacher Development - Online Skills Building Workshop**

We warmly invite YunTech faculty to participate in the YunTech EMI Teacher Development workshop, designed exclusively for our faculty.

This three-morning professional development workshop will be held online and aims to familiarize teachers with **YunTech's EMI Teachers Manual** and provides practical guidance on implementing good teaching practices along with innovative digital tools. The workshop also provides peer observation training and a recommended rubric.

### **Workshop Schedule**

#### **July 20 | 9:00–12:00**

- Core Concepts of YunTech's EMI Teachers Manual
  - Becoming a Reflective EMI Practitioner
  - **EMI Digital Toolkit:** Designing Better Materials for Classroom Instruction
- 

#### **July 21 | 9:00–12:00**

- Pedagogical Approaches: Learning from Distinguished EMI Teachers
  - **EMI Digital Toolkit:** Developing Better Teaching Materials
- 

#### **July 23 | 9:00–12:00**

- Pedagogical Approaches: Learning from Distinguished EMI Teachers
  - **EMI Digital Toolkit:** Enhancing Student Engagement with Course Materials
- 

**Get ahead of other teachers at YunTech and make your contributions to EMI more visible.**
